DELUSIONS OF GRANDEUR  
AFTERNOON TEA

## GRAYSON PERRY DELUSIONS *of* GRANDEUR

To celebrate 150 years of Liberty, Sir Grayson Perry has created an exclusive print for the design house inspired by Shirley Smith - a central figure in the Delusions of Grandeur exhibition. Showcasing Shirley Smith alongside The Wallace Collection and a cast of playful characters, this fabric adorns the restaurant's cushions and is available to purchase in the exhibition gift shop and the Liberty flagship store.

## BLACK TEA

---

### English Breakfast

*The deliciously robust and full-bodied taste of our English Breakfast takes traditional black tea to new heights. This malty leaf tea from pure Assam leaves is grown in the prized Borengajuli Estate in Northeast India. A cup of this golden and well-rounded blend with a splash of milk is much prized at breakfast time.*

### Earl Grey

*Fusion of high-grown leaf tea, bergamot and cornflowers. Perfectly balance with notes of citrusy bergamot and a scattering of blue cornflower petals or an elegant final flourish. Origin: India*

### Assam

*Assam tea is known for a deep, burgundy-red cup and pungent flavour. Our Assam tea is perfect for tea drinkers who may be new to the powerful character of Assam. It has a rich aroma, sweeter starchy than malty, like roasted plantains. Rounded mouthfeel, malty without being overpowering. Brisk astringency and not extremely pungent. A solid, 'friendly' Assam, from the well-regarded Borengajuli Estate. Origin: India*

## GREEN TEA & INFUSIONS

---

### Sencha

*Our Sencha is a delicate steamed green tea with a mild taste and attractive softness that sets it apart from the more commonly seen roasted green teas. Origin: China*

### Jasmine

*A perfumy tea from the Fujian province of China, infused with the delicate scent of jasmine flowers. Light, refreshing cup and not overwhelmingly floral. Origin: China*

### Chamomile

*Herbal tea that is produced from Chamomile flowers of certified herb gardens. Chamomile tea has a delicate taste and character and is said to aid in sleep and relaxation.*

### Peppermint

*Carefully assembled blend of European, Egyptian and American peppermint designed to give a blast of refreshing minty coolness. The blend harnesses the renowned green freshness of American-grown peppermint but builds upon it with the more intense and darker notes of European and Egyptian mints. Origin: Turkey.*

### Lemongrass & Ginger

*Zesty lemongrass and ginger blend that provides a therapeutic cup of tea that pairs perfectly with a spoonful of honey. Origin: Thailand*

### Red Berry

*This caffeine-free blend has a raspberry/cherry aroma and flavor. It's sweet with a hint of tart. It's marvelous iced but is also an unusual and bracing hot beverage.*
